**Two left hands?**

**Don't sweat it - that's what the manual is for**

**BOLD**  
*monkey*

No one is you and that is your power.

We are the new generation.

Blending boldness and brightness.

Everything and everything is our design playground.

Our drive is to challenge the boundaries of taste.

Bold Monkey presents a divine family of abundant interior styles.

You hate it or you love it.
